FoodLab Chicago 5.0 is an insightful, educational program designed for food based businesses who are looking to take their businesses to the next level.

Since its launch FoodLab Chicago has assisted 62 Black-owned South Side Chicago businesses. Selected participants have acquired over \$6.6 million in grants and loans and increased their profits with menu engineering from 3% to 38%.

FoodLab Chicago seeks to support Black and Brown food service entrepreneurs who have been operating for at least 18 months and are located in Chicago.

This is a program of the Greater Chatham Initiative
